THE CHILTERN CENTRE

#CHALLENGE26IN26

Why support The Chiltern Centre?

“The Chiltern Centre opens up a new world of opportunities for the young adults who use it. A world that many of their peers without disabilities may take for granted. But one that is special, and important and deeply valuable for each young person who comes through their doors.

They need to raise a minimum of £200k every year to keep providing care and opportunity to all.”

What your sponsorship can achieve.

£5

could pay for a trip to the coffee shop for cake with friends building bonds and making memories.

£10

could pay for arts and crafts materials enabling young adults with disabilities to express themselves creatively.

£20

could pay for a day out at Coral Reef Leisure where a young person with limited mobility can relax in the water giving them a sense of freedom.

£50

could pay for our team to enter the Regatta for the Disabled, an annual bell boating competition that we love.

£100

could pay for a group of young adults to work with the animals at Vana Farm gaining valuable life skills and experience.
